BUSINESS & PERSONAL HORIZON

HORIZON

Print this page to write your answers down here, or use a journal to record your progress. HORIZON is your life and business vision by intentional design. In essence, the platform for creating a life and business that you love.

During my best day at work, I will...

My best year ever will include...

The lifestyle I dream of has...

My anticipated business exit outcome is...

The BIG Question: If we were having this discussion 3 years from today, and you were looking back over those 3 years, what has to have happened in your life, both personally and professionally, for you to feel happy with your progress?

:: ACTION STEPS ::

Review your answers focusing on the words that describe your best activities and experiences, and then think about how they can be incorporated as strategies to grow your business.

Reflect on the answer to your BIG Question. Within the answer you will find your roadmap to success, using a reverse-to-present point of view. With that reflection, determine 3 to 5 measurable objectives/goals to move you swiftly in the direction of your BIG Question life!
